

## Newsletter no 11 – ELEVET

This is the eleventh newsletter of the project. The aim of the newsletter is to keep stakeholders informed about the progress and the outcomes of the project. This is a newsletter showing the latest events. It is published in English, Italian and Polish language.

## Signing of Amendment no 4 to ELEVET Grant Agreement

On 17<sup>th</sup> September, 2013, the President of SEP - Prof. Jerzy Barglik signed Amendment No. 4 to ELEVET Grant Agreement, accepting withdrawal of the partner SDE College from Denmark and accepting extension of the project duration by three months, until 30th June 2014.

## Workshop for Exploitation

Workshop for Exploitation titled "Electrician in Europe - Consolidation of Electrical Engineering Education in the EU" was organized by SEP and PIGE on 18th September 2013, during the 26th Bielsko-Biala International Power Industry Fair - ENERGETAB 2013 - the largest Polish trade fair of modern appliances, apparatus and technologies for electrical engineering and power industry in Poland.

Mr. Andrzej Boroń – Project ELEVET Manager

The meeting covered the latest rules of formal education - vocational school, technical, engineering studies according to the degree of competence

and the concept of the principles of training courses recognized in the European Union.

We invited to participate in that meeting all stakeholders, in particular:

- Representatives of the authorities and educational institutions and vocational training
- Producers and companies from the branch of electricity

From left: Mr. Andrzej Boroń – Project ELEVET Manager i Mr. Janusz Nowastowski – Director of the Polish Economic Chamber of Electrotechnics (PIGE)

A large attendance at the meeting, as well as numerous questions and discussion during the meeting evidence great interest in the subject of training electricians, both in Poland and in whole Europe.

Participants of the meeting
