Irish MASTER Regional Alliance

The Regional Alliance provides an important platform to create and deepen ongoing relationships between diverse institutions working in the student-entrepreneurship arena. It nurtures a shared commitment to support the growth of the young entrepreneurs and entrepreneurial mindsets as a whole. The Irish MASTER Regional Alliance includes organisations from VET, public, private and not-for-profit sectors, HEI’s and local authorities. These include: Roscommon Leader Partnerships, Roscommon County Council, DSP, GRETB, County Roscommon Jobs Club, WRDATF, LSKETB, Regional Skills Forum, among others.

“The entrepreneurship, an opportunity for the economic growth”

The multiplier event took place on the 30 January in San Sebastian, Spain. The goal of the event was to share the results and good practices of MASTER. During the event, one of the key discussion elements was the necessity to increase the percentage of VET students. In order to do so the entrepreneurship activities and the development of Regional Alliance with VET group of interest, including public and private stakeholders, to identify the needs and opportunities of entrepreneurship in each region.
Estonian children learn how to become an entrepreneur through role-play

How to boost the young entrepreneurial spirit? Estonian seems to have the answer. Euronews interview the Estonian entrepreneur Mehis Pärn who created BizStreet an enterprise village in Tartu. Children aged five to eighteen get hand-on experience of what it’s like to be an entrepreneur.
